Observed 2024-25 Holidays

Please note, if your service day falls on or follows one of these observed holidays, your service will be delayed by one day for that week only.

Labor Day: Monday September 2, 2024

Thanksgiving Day: Thursday November 28, 2024

Christmas Day: Wednesday December 25, 2024

New Year's Day: Wednesday January 1, 2025

City of Zion

2023-24 Collection Service Guide

700 E. Butterfield
Lombard, IL 60148

Dear City of Zion resident,

Beginning Sept. 5, 2023, we are moving to curbside-only collection with automated trucks and every-other-week recycling. These trucks use automatic lifting arms to empty carts, making collection more efficient, cleaner, and safer for your community and our drivers.

With automated curbside collection, your carts and all material must be placed at the curb on your collection day. All material must fit inside the cart with the lid firmly closed

- no extra bags or material outside the cart will be collected. Resident-owned containers cannot be serviced.

WM is excited to provide the residents of Zion with automated curbside collection and looks forward to

Trash Collection

Your collection day will not change.

Trash will continue to be picked up weekly (Monday-Thursday).

Please have your carts at the curb by 6 a.m. the day of your collection or the night before your collection day.

Proper Cart Placement for Automated Collection

Please place your carts at least 3 feet apart and 3 feet away from any obstacles (trees, cars, mailboxes, etc.) to allow the automatic arm to lift and empty the carts. Place the wheels of the cart toward the house.

Every-Other-Week Recycling Collection

Beginning Sept. 5, 2023, recycling will be collected every other week. Please see the Collection Calendar for your Green Recycling Week.

Remember to place your recyclables directly into the bin – don't bag your recyclables. Flatten all cardboard boxes and make sure any containers are free from food or liquid. See the adjacent panel for acceptable recycling items and tips to Recycle Right.

Bulk Item Collection

Bulk items or white goods typically include:

- Furniture – tables, chairs, cabinets, sofas (all cloth furniture must be wrapped in plastic and sealed with duct tape).
- Bed frame, mattresses, box springs (Mattresses and box frames must be wrapped in plastic and sealed with duct tape).
- Appliances such as washing machines and dryers – appliance doors must be removed, and refrigerants or Freon must also be removed and stickered by a certified technician. Weight limit is 50 lbs.
- Other items too large to fit into your trash cart.

Yard Waste Collection

- Yard waste includes grass, leaves, clippings, and small branches.
- Place yard waste in biodegradable bags or a can with handles - no larger than 32-gallons and 50 lbs - and clearly identified by the Residential Unit as being for yard waste. Place bags or can a few feet away from your trash and recycling.
- Dirt, sand, rocks, concrete, sod, tree stumps, and similar materials will not be collected.

Need Extra Space?

Up-size your 65-gallon recycling cart to a 96-gallon cart from Oct. 1-31 for free, or rent an additional 65-gallon cart for \$3 per month (bill quarterly by WM).

Please contact WM at (800) 796-9696 to up-size your cart or order your additional cart.

RECYCLE RIGHT

To learn more, visit wm.com/recycleright

Great things happen when you Recycle Right. By recycling everyday items like those shown below, tons of raw materials, time, energy and money are saved.

- Empty recyclables loose into your cart - don't bag recyclables and no loose plastic bags. Instead, reuse or return plastic bags to local retailers.
- Containers should be empty and free from food and liquid.
